

FBA Tent Company

Specification:

- 4m diameter canvas Sahara style bell tent.
- Waterproof canvas material, lightweight but strong and hard-wearing. (280 gsm)
- Single pole entrance. Entrance height - 1.6m.
- Zipped front door for easy access and security.
- 'Mud' wall running 20cm high around base of tent to help prevent rain entering.
- Two windows (zipped) in the tent walls, both fitted with mosquito netting.
- Single central pole giving a height in the middle of the tent of 2.4m.
- Side walls can be rolled up to allow breeze to gently blow through, excellent for hot, sunny days.
- Ventilation flap at the top of the tent, fitted with mosquito netting.
- Waterproof groundsheet, shaped to size of tent.

Tent supplied with the following:

- Instructions
- Guy ropes
- Pegs
- Waterproof groundsheet
- Poles
- Canvas carry bag
- Manufacturers guarantee against defects
